

Community Group Discussion Guide

For the week of March 17th, 2024

Gender

Getting to know you

1. What's something you learned from someone else in your group that you respect or are thankful for (fact about them, conviction they have, or perspective they shared)?
2. Looking back at your notes from this week's teaching, was there anything you heard for the first time, caught your attention, or was your biggest takeaway?

Going deeper

3. Read Genesis 1v27-28, Matthew 19v1-12, 1 Corinthians 6v18-20. The clear Biblical worldview on sex and gender is a male/female binary. How do we have love and compassion towards people experiencing transgender realities while also faithfully holding to a Biblical worldview?
4. Reflecting on Jose's teaching and using the grid of die, divide, debate, and decide—where would you put using pronouns that go against someone's biological sex and why? In what ways does the conversation change if the person is a follower of Jesus, and how would you address them?
5. What from this series have you found most helpful that you don't want to forget? What areas do you still feel like you could use clarity and help on?

Pray that we'd grow a deeper compassion for all people and a deeper conviction for the truth, as both are essential to having a full Biblical worldview.
