

Good Things (Whatever Is Lovely)

by Meredith Waggoner & Casey Taylor

VERSE (2x)

I've been thinkin'
I've been thinkin'
Lately I've been thinkin' about things

He has taken and
He's making me more like Him
Through the things I think

CHORUS

Whatever is lovely, whatever is true
Whatever is holy, I'll think it too
All of these thoughts lead me close to You

I'll fill my head with good things
With good things
I'll fill my head with good things

VERSE

I've been thinkin'
I've been thinkin'
Lately I've been thinkin' it's true

We should thank and
Celebrate and sing
For all He's done for me and you

I've been thinkin'
I've been thinkin'
Lately I've been thinkin' it's true

We should thank and
Celebrate and sing
For all He's done for me
For me and for you

BRIDGE (2x)

Cause I know the things that I think
Are shaping the way that I live my life

And I know the way that I live
Will help other people see Christ
